

Revised Kenai Peninsula Borough Coastal Management Plan Final Draft Plan Amendment • February 2006

Prepared by:

LaRoche + Associates

Gabrielle LaRoche, Principal Planner
Julie C. Hammonds, AICP, Project Lead
Sydney Mitchell, Website & Graphic Design
Lisa A. Weissler, Legal Analysis
Beth Potter, Research
Jessica Wilson, Word Processing

With the assistance of:

Gary Williams, Kenai Peninsula Borough ACMP Coordinator
Julie Hindman, Kenai Peninsula Borough GIS Technician
Laura Tarbox, Kenai Peninsula Borough Student Intern

And thanks to:

John Williams, Mayor, Kenai Peninsula Borough
Max J. Best, Kenai Peninsula Borough Planning Director
Staff of the Kenai Peninsula Borough Planning Department
Staff of the Department of Commerce, Community and Economic Development
Staff of the State of Alaska Department of Natural Resources, Office of Project
Management and Permitting

Kenai Peninsula Borough Assembly

Dan Chay
Margaret Gilman
Gary Superman
Pete Sprague
Grace Merkes
Ron Long, Assembly President

ALASKA COASTAL MANAGEMENT PROGRAM

“This report is funded by the Alaska Coastal Management Program, Department of Natural Resources, Office of Project Management and Permitting, Pursuant to National Oceanic and Atmospheric Administration Award No. NA04NOS4190030. The preparation of this report is funded by a grant from the National Oceanic and Atmospheric Administration, and administered by the Alaska Department of Natural Resources, Office of Project Management and Permitting (OPMP), and the Department of Commerce, Community and Economic Development (DCCED), Division of Community Advocacy. The views expressed herein are those of the author(s) and do not necessarily reflect the views of the NOAA or any of its sub-agencies.”

TABLE OF CONTENTS

VOLUME ONE

I.	INTRODUCTION AND PUBLIC PROCESS	
A.	History of Coastal Management	1
B.	Development of Kenai Coastal Management Plan	3
II.	COASTAL ZONE BOUNDARY	
A.	Changes to Boundary as a Result of Transition Amendment	6
B.	Interim Coastal Boundary	6
C.	Final Coastal Zone Boundary	7
D.	Final Boundary Justification	7
E.	Port Graham / Nanwalek AMSA Boundary	10
III.	RESOURCE INVENTORY	
A.	Introduction	12
B.	The Physical Environment	
1.1	Climate	12
1.2	Air Quality	13
1.3	Oceanography	14
1.4	Water Resources	16
1.5	Soils and Vegetation	20
1.6	Timber Resources	22
1.7	Minerals & Energy	24
1.8	Natural Hazards	29
C.	Fish and Wildlife Resources	
2.1	Fish and Wildlife Species and Habitats	35
2.2	Commercial Use of Fish and Game	42
2.3	Subsistence	49
2.4	Recreational Use of Fish and Game	55
2.5	Fish and Wildlife Management and Enhancement	59
D.	Socioeconomic Data	
3.1	Land Ownership	60
3.2	Land Use	65
3.3	Population	67
3.4	Employment	69
3.5	Recreation and Tourism	72
3.6	Transportation	83
3.7	Public Services and Facilities	86
3.8	Archaeological, Historic and Prehistoric Sites	88
IV.	RESOURCE ANALYSIS	
A.	Introduction	90

B.	Generalized Development Activities, Processes, and Sensitive Resources	
1.1	Federal Offshore Oil and Gas.....	90
1.2.	Submerged Lands, Tidelands, and Onshore Oil and Gas	92
1.3	Minerals Mining.....	93
1.4	Marine Transportation.....	98
1.5	Transportation and Utility Corridors.....	99
1.6	Electrical Power Generation.....	101
1.7	Commercial Fisheries Development	103
1.8	Recreation and Tourism	103
1.9	Sport Fishing and Hunting	104
1.10	Land Disposal.....	104
1.11	Residential Developments.....	105
1.12	Agriculture	105
1.13	Forestry.....	105
C.	Impact Identification	
2.1	Disturbance of Fish Populations.....	107
2.2	Disturbance of Wildlife Populations	111
2.3	Marine and Aquatic Habitat Alteration	116
2.4	Terrestrial Habitat Alteration	121
2.5	Water Pollution	123
2.6	Air Pollution.....	130
2.7	Human/Animal Interactions	131
2.8	Cultural Impacts	132
2.9	Impacts on Community Infrastructure	133
2.10	Visual and Aesthetic Impacts.....	133
2.11	Disturbance of Historical and Archaeological Sites.....	134
2.12	Disruption of Commercial Fishing Activities	134
D.	Potential Developments in the Kenai Peninsula	
3.1	Federal Offshore Oil and Gas.....	137
3.2	State Submerged Lands, Tidelands, and Onshore Oil and Gas Development	137
3.3	Mining Activities.....	139
3.4	Marine Transportation.....	141
3.5	Onshore Transportation and Utility Corridors	143
3.6	Electrical Power Generation.....	143
3.7	Commercial Fisheries Development	144
3.8	Recreation and Tourism	146
3.9	Sport Fishing and Hunting	147
3.10	Land Disposals	149
3.11	Residential / Recreational Developments.....	149
3.12	Agricultural Developments	151
3.13	Timber Industry.....	151
E.	References	151
F.	Individuals and Agencies Contacted	162

V.	ISSUES, GOALS, OBJECTIVES, AND POLICIES	
A.	Introduction.....	164
B.	Definitions	166
C.	Issues, Goals, Objectives, and Policies	
1.	Coastal Development.....	174
2.	Natural Hazard Areas.....	178
3.	Recreation, Tourism and Coastal Access	181
4.	Energy Facilities	188
5.	Transportation and Utilities Routes and Facilities.....	191
6.	Commercial Fishing and Seafood Processing Facilities.....	193
7.	Mariculture	196
8.	Timber Harvest and Processing	197
9.	Sand and Gravel Extraction	198
10.	Subsistence Use Areas	201
11.	Fish and Wildlife Habitat.....	202
12.	Air, Land and Water Quality	207
13.	Archaeological and Historical Resources	209
VI.	IMPLEMENTATION	
A.	Introduction	
1.	Organization	211
2.	Subject Uses.....	212
3.	Proper and Improper Uses	212
4.	Designated Areas	212
B.	Borough CMP Participants’ Duties and Responsibilities	
1.	Kenai Peninsula Borough Planning Commission.....	212
2.	Kenai Peninsula Borough CMP Coordinator.....	213
C.	General Consistency Review Information	
1.	Two Types of Consistency Reviews.....	213
2.	Determination of Consistency in Connection with Other Permits and Approvals.....	214
3.	ABC List.....	214
4.	Federal Authority and Consistency Determination.....	214
D.	Borough Participation in State-coordinated Consistency Review	
1.	Procedure	215
2.	Due Deference	216
3.	Timeframe for Consistency Reviews.....	217
E.	Borough Coordination of Local Consistency Review	
1.	Uses Subject to Local Consistency Review.....	219
2.	Local Consistency Review Process	219
3.	Application Procedure and Time Line.....	219
F.	Elevation Process / Appeals	
1.	Elevation of State Consistency Determination	219
2.	Appeal of Local Consistency Determination.....	220
G.	Planning for Major Projects	
1.	Introduction.....	220
2.	Local Participation in Planning Activities	220

	3.	Pre-review Assistance	220
H.		Amendments and Revisions	222
I.		Monitoring and Enforcement	222
J.		Public Education and Outreach	222
VII.		PORT GRAHAM / NANWALEK AREA MERITING SPECIAL ATTENTION	
A.		Introduction	
	1.	Development of the Port Graham / Nanwalek AMSA	224
	2.	AMSA Boundary	224
	3.	Designation / Boundary Justification	225
	4.	Land Ownership in the AMSA	226
	5.	AMSAs, Area Designations, Consistency Review, and Policies	226
	6.	Matter of Local Concern	227
B.		Definitions	227
C.		Enforceable Policies	
	1.	Coastal Development	228
	2.	Natural Hazard Areas	228
	3.	Recreation, Tourism and Coastal Access	228
	4.	Energy Facilities	229
	5.	Transportation and Utilities Routes and Facilities	229
	6.	Commercial Fishing and Seafood Processing Facilities	229
	7.	Mariculture	229
	8.	Timber Harvest and Processing	229
	9.	Sand and Gravel Extraction	229
	10.	Subsistence Use Areas	230
	11.	Fish and Wildlife Habitat	230
	12.	Air, Land, and Water Quality	231
	13.	Historical and Archaeological Resources	231
D.		Resource Inventory and Analysis and AMSA Goals	
	1.	The Physical Environment	232
	2.	Fish and Wildlife Resources	233
	3.	Cultural Resources	236
	4.	Transportation	236
	5.	Recreation and Tourism	237
	6.	Navigation Obstruction	238
	7.	Timber Harvest	238
	8.	Fish and Seafood Processing	239
	9.	Oil Spill Emergency Preparedness and Response	240
APPENDICES			
A		Enforceable and Guidance Policies	241
B		Transition Amendment References	265
C		Potential Areas Which Merit Special Attention	267
D		Enforceable Policies Cross-reference Tables	285

LIST OF TABLES

1.1	Climatic Data for Stations in the Kenai Peninsula Borough.....	13
1.2	Tidal Information	15
1.3	Streamflow Data, Kenai Peninsula	19
1.4	Estimated Area of Forested Land by Ownership	22
1.5	Historic Oil and Gas Production in Cook Inlet	25
1.6	Summary of Known Flood Hazards in the Kenai Peninsula Borough.....	31
1.7	Approximate Exvessel Value of Upper Cook Inlet Commercial Salmon Harvest by Species, 1990-2004	43
1.8	2004 Cook Inlet Preliminary Alaska Commercial Salmon Harvest and Exvessel Values	43
1.9	2003 Ground Fish Landings and Exvessel Value by Species	46
1.10	Kenai River Sport Fish Freshwater Guided Harvest and Effort by Fisheries, 2003	48
1.11	Port Graham and Koyuktolik Subdistricts (Includes Nanwalek) Salmon Harvests for Domestic Use.....	50
1.12	Wild Resource Harvests and Use by Residents of Port Graham, Alaska 1998 Wild Resource Harvests and Use by Residents of Nanwalek, Alaska 1998.....	51
1.13	Sport Fishing Activity, Kenai Peninsula, 2000-2001	56
1.14	Area in Federal Management Units	61
1.15	Acreages Under All Ownerships in the Kenai Peninsula Borough.....	64
1.16	Number and Annual Rate of Change in Population, Kenai Peninsula Borough and Incorporated Cities in the Borough, 1990-2003.....	68
1.17	Population Projections, Kenai Peninsula Borough, 1998-2018	69
1.18	Employment and Earning, Kenai Peninsula Borough, 2002	70
1.19	Top 10 Employers (Private and Public), Kenai Peninsula Borough, 2002.....	71
1.20	Estimated Days of Effort in Sport and Personal Use Fisheries in the Kenai Peninsula Borough in 2003, by Residency.....	73
1.21	Municipal Tourism and Recreation Sites.....	79
1.22	State Recreation Facilities.....	80
1.23	Sites on the National Register in the Kenai Peninsula Borough.....	89
1.24	Oil & Gas Fields in Cook Inlet Basin	137
1.25	Major Procedures Under the 30- and 50-Day Consistency Review Schedules	218
